

SUMMER 2019

# FIELD BIOLOGY INTERNSHIP FOR HIGH SCHOOL STUDENTS

**We are looking for 5-7 students, grades 9-12 (including graduating seniors) to work with wildlife biologists from the EBCI Office of Fisheries and Wildlife Management and the University of Tennessee. Students will design experiments that investigate the ecology of native salamander species and shadow researchers conducting work on elk and more!**

**Program Dates: June 10-21, 2019**

HANDS ON RESEARCH | PROJECT BASED | FIELD  
EXPERIENCE | CODING EXPOSURE | RESUME BUILDING

**INTERESTED IN APPLYING? CHECK OUT THE EBCI TAB HERE:  
[WWW.BIOGEOGRAPHYRESEARCH.ORG](http://WWW.BIOGEOGRAPHYRESEARCH.ORG)  
APPLICATIONS ARE DUE BY APRIL 30.**
